RE: A Sporting Chance Track & Field Meets

A Sporting Chance is only holding 1 Track Meet this year. Due to cutbacks we have chosen to keep the most popular Track Meet and that is the one held in Branson. **The Branson Track Meet is FREE if you choose to just do the Track Meet, have lunch, and then go home.** The costs incurred are only if you choose to do the overnight stay, attend a Show or attend Silver Dollar City.

The "Branson Invitational" "A Sporting Chance" Track & Field Meet will be held on **Saturday, April 28, 2018**. The Meet will be held at **The Branson Jr. High School off of Bee Creek Road**. Enclosed, please find all the information you need in order to enter your athletes into this event. If you need any clarification concerning the entry forms please contact our office and we will gladly work together to solve any problem you may have.

Either/Or Events

We have events that are **either/or events**. For example, an athlete cannot do the Standing Long Jump and the Running Long Jump, or the Softball Throw and the Shot Put. We have too many athletes in these events so people must choose this year.

Entry Forms

Please note that the entry form has a *SAMPLE ATHLETE* for you to follow to hopefully answer any questions you might have. All of your **athletes may enter 3 events and also be on a relay team.** Use the Wheelchair and Low Mobility Athletes Event Listings for athletes who need assistance to compete. Please put the name of the events and their practice scores on the Entry Forms. We also need the birthdates (**not ages**) and the (**sex**) of the athletes as the information is put into the computer.

Deadline for "State" T&F Entries

The deadline for entries will be **Tuesday, April 10, at 5:00 p.m.** Please meet the deadline so our office can get information back to you on a timely basis. Please make sure that all entries that require a distance score be **submitted in feet and inches.** If you need to, please **FAX your entries** to our office by the deadline at (417) 874-1958.

Branson Meet (Survey)

Enclosed is a copy of a Survey concerning the State Meet in Branson. We don't want to take a trip away from anyone but we can no longer afford to pay for every schools needs by raising money in Springfield. Everyone needs to realize how large our program has grown and it is difficult to raise money in your town out of our office. **Please start working on businesses or civic organizations in your towns now in order to have your athletes sponsored.**
